### Description

---

This Princess 50 is in very good conditions, very lightly used and has been maintained and looked after in the right way. She's fitted with 2 x D11-670 Volvo Penta diesel engines with 320 hours (19/10/2014).

The price is very interesting considering the general conditions and the equipment the yacht has and therefore we very highly recommend an early viewing on board. For sure you won't be disappointed.
