CE certification RINA category "A".2. All composite materials construction.3. Hull built with Isophthalic gelcoat and monolithic GRP with 0/90° unidirectional and +/- 45° biaxial materials, vinyl ester resin infused and proprietary glass fibers layup with local reinforcements up to 50 mm on the bow, keel line, spray rails, and engine room areas. Airex structural rigid foam construction for hull stringers and structural bulkheads. Hull sides reinforced with Airex structural closed cell PVC foam vacuum bagged. 5 year structural hull warranty.4. Transverse and longitudinal reinforcement placed throughout the hull with proprietary glass and carbon fibers reinforcements.5. Deck, Hard Top built with Isophthalic gelcoat, constructed with 0/90° unidirectional and +/- 45° biaxial materials vinyl ester resin infused and proprietary glass and carbon fibers reinforcements. Entire areas reinforced with Airex structural closed cell PVC foam vacuum bagged. Vertical surfaces for cleats and rails fortified with brass plates and carbon fiber reinforcements.6. Anti-osmosis epoxy primer and antifouling bottom paint.

SUMMARY OF STANDARD EQUIPMENT

- Quad Mercury Verado V12 600HP
- Hull and deck color White or color option
- Fuel tank 873 gals / 3028 l
- Generator diesel tank 75 gals / 284 l
- Pressurized fresh water system
- Water heater 60 gals / 227 l
- Battery charger for services
- Battery charger for engines and generator
- 14 Kw Kohler generator
- Tropical AC chill water system, 6 air handlers, 60,000 BTU (USA)
- Fenders with fender covers (QTY. 6)
- Mooring lines (QTY. 6)
- Safety Kit - PFD (QTY. 6) and flare kit
- Fuel shut off system
- Cockpit deck shower with hot/cold water mixer
- Electric fresh pump shower aft deck and anchor chain on bow
- Fire extinguishers in all rooms
- Mercury Sport K-Planes® trim tab system
- Sockets 24/220 volt - 110 volt USA
- USB sockets
- JL Audio external speakers (QTY. 2)
- Refrigerator in the cockpit
- Ice maker in the cockpit
- Refrigerator / Freezer in the galley
- Garmin 22" touchscreen chartplotter - GPSMAP 8622 MFD
- Automatic extinguisher system in the engine room
- Dockside water pressure
- Swim/Dive side door with manual ladder
- Transom platform with manual swim ladder
- Starboard side swim door with manual ladder
- TV LCD 42" salon
- TV LCD 32" master
- TV LCD 32" guest cabin
- Electric 1500 W windlass with controls from bow and helm station

STANDARD EQUIPMENT

HULL AND DECK

- Engines Quad Mercury Verado V12 600HP
- Bruce anchor 44 lbs
- Esthec non-skid decking system for cockpit, side decks and platform
- Antifouling bottom paint
- Air Horn
- Lateral pop-up stainless steel cleats (QTY. 2)
- Aft pop-up stainless steel cleats (QTY. 2)
- Bow pop-up stainless steel cleats (QTY. 2)
- Stainless steel rubrail
- Zinced chain diam: 8 mm, 75 meters (246 ft)
- Cockpit deck and bow area shower with hot/cold water mixer
- Electric fresh pump for washing aft deck and anchor chain on bow
- Chain locker with draining system
- Cockpit lockers
- LED navigation lights
- Cockpit lights
- Stainless steel anchor roller system
- Carbon reinforced Hardtop with glass skylight
- Bow stainless steel fairleads (QTY. 2)
- Hatch in owner's cabin
- Transom platform with manual swim ladder
- Custom fiberglass transom door with pantograph opening system
- Self-draining cockpit
- Shore power supply - 50 Amp
- Dockside water pressure
- Air intakes with water separator for engine aeration (QTY. 2)
- Waste deck plate suck out
- Gasoline deck fillers (QTY. 4)
- Water deck filler (QTY. 1)
- Windscreen wipers with washers (QTY. 2)
- Stainless steel handrails on each cockpit side (QTY. 2)
- Electric 1500W 24V windlass with controls from bow and helm station

BOW AREA

- Bow sun pad with reclining headrest and stainless steel cup holders

AFT COCKPIT

- Port side large L shape sofa/sun pad
- Large cockpit table with electric piston
- Main access to lazarette area
- Large Lazarette electric hatch
- Dual service/storage cabinets to port and starboard
- Refrigerator & Ice maker
- Sink
- Elag ceramic grill
- LED lighting
- Pantograph door access to aft platform
- Port side platform manual swim ladder
- Starboard side swim door with manual ladder
- Platform under floor storage
- Port side Mercury fuel fitter compartment

HELM CONSOLE

- Garmin 2x22" Chartplotters touchscreen
- Garmin Radar 4kw 48-mile range
- Garmin autopilot
- Air Horn
- Electronic Controls for transmission and throttles
- Anchor windlass control and chain washer
- Proprietary design leather and glass console with custom integrated steering wheel
- Mercury Sport K-Planes® trim tab system with Indicator
- Dual position manual slide helm armchairs
- Mercury electric steering
- Electrical sub-panel for accessibility to main systems
-

HELM CONSOLE con't

- AC
- VHF

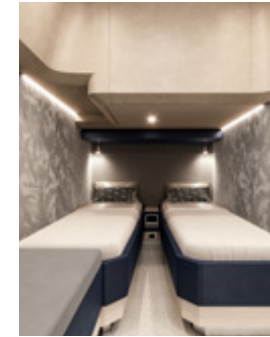

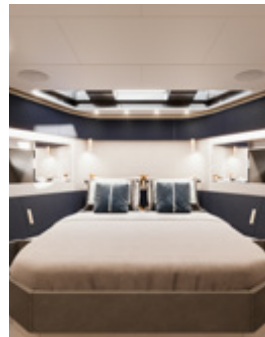

MAIN SALON

- U-shaped sofa with powered dinette table convertible to sofa bed
- Storage under sofa
- Credenza with TV lift system and storage compartments
- TV LCD 32"
- LED lighting
- AC
- Sockets 24/220 volt - 110-volt USA
- USB Sockets
- Wood floor
- Main electric panel 24/220 V with generator control.
- Venetian blinds
- Skylights on ceiling
- Interior sunshade electric system
- Faux leather ceiling

STANDARD EQUIPMENT

GALLEY / DINETTE

- Wall organized storage cupboards
- Cutlery organized drawer
- Miele speed oven
- Miele induction cooktop
- Refrigerator / freezer
- Custom galley design layouts
- LED lighting
- AC
- Skylights
- Stainless steel sink with Skylight hot/cold water mixer
- Full panoramic window
- Wood floor
- Marble worktop
- Sockets 24/220 volt - 110-volt USA
- USB sockets
- Venetian blinds

MASTER CABIN

- Lateral wardrobes (QTY. 2)
- Fore bed chest of drawers
- LED lighting
- LED TV 32"
- Queen size bed with bed cover and pillows
- Carpet
- Panoramic windows (QTY. 4)
- Port and Starboard ceiling skylights
- Hatch with light shade
- Sockets 24/220-volt - 110-volt USA
- USB sockets
- Shelves
- AC
- Drawers under the bed
- Venetian blinds

MASTER HEAD

- Vanity locker
- Stall shower with water control
- Sockets 24/220 volt - 110-volt USA
- USB sockets
- LED lighting
- Glass sink with hot/cold water mixer
- Panoramic window (QTY. 2)
- Marble countertop
- AC
- Head fittings: glass holder, toilet roll holder, soap holder, WC cleaning brush holder, towel holder
- Mirror above sink
- Fresh water Planus toilet with electric actuator
- Venetian blinds

PORT VIP CABIN

- Lateral wardrobe
- LED lighting
- LED TV 32"
- Queen size bed with bed cover and pillows
- Carpet
- Ceiling skylight
- Sockets 24/220-volt - 110-volt USA
- USB sockets
- Closet with shelves
- AC
- Venetian blinds

STARBOARD GUEST CABIN

- Wardrobe with lateral shelf (QTY. 1)
- Central night table
- LED lighting
- LED TV 32"
- AC
- Twin beds / Convertible to full size
- Carpet
- Skylight
- Sockets 24/220 volt - 110-volt USA
- USB sockets
- Mirror (QTY. 3)
- Venetian blinds

DAY / GUEST HEAD

- Vanity locker
- Stall shower with water control
- Sockets 24/220 volt - 110-volt USA
- USB sockets
- LED lighting
- Glass sink with hot/cold water mixer window
- Marble countertop
- AC
- Head fittings: glass holder, toilet roll holder, soap holder, WC cleaning brush holder, towel holder
- Mirror above sink
- Fresh water Planus toilet with electric actuator
- Venetian blinds
- AC
- Head fittings: glass holder, toilet roll holder, soap holder, WC cleaning brush holder, towel holder
- Fresh water Planus toilet with electric actuator
- Venetian blinds

STANDARD EQUIPMENT

MECHANICAL

- Remote fuel shut off system control
- Automatic extinguisher system in the engine room
- Mercury fuel filter system
- Ground connection for all systems
- Sound insulation throughout engine room
- Inspection lights
- Cockpit access hatches (QTY. 1)
- Cathodic protection
- Fuel Tanks - 316 Stainless Steel fuel tanks (QTY. 4)
- Diesel tank for generator (QTY. 1)
- Custom air intakes with water separator
- Fuel tank vents
- Mercury Sport K-Planes® trim tab system
- Gianneschi ventilation dampers

BILGE PUMPS

- Engine room and guest areas high water level alarm
- Rule automatic flow switch system (QTY. 4)
- Manual emergency pump
- Gianneschi backup bilge pump system

WATER SYSTEM

- Pressurized freshwater pump with filter
- Starboard side swim door shower
- Platform shower
- Bow shower
- Water heater 60 gals / 227 l

ELECTRIC POWER SYSTEM

- Batteries - 12-volt AGM, 1000 cranking amps for engine starting (QTY. 4)
- Batteries - EXIDE DUAL AGM EP 1500 180Ah-900A for services (1 bank x 4 each)
- Battery - EXIDE DUAL AGM EP 450 50Ah-700A for generator (QTY. 1)
- Electronic battery charger 80A
- Electronic battery charger 20A for generator
- Circuit breaker protection to all AC installation systems
- LED lights in all the rooms
- Shore power system 50 amps
- Switches to disconnect service battery on control panel
- Safety system switches
- Diesel generator 13.5 Kw / 60 Hz and silencer system
- Sockets 24/220 V / 110-volt USA throughout
