# Description

The **Pershing 80** is an extraordinary example of Italian design, impeccably blending elegance, performance and luxury into an exceptional vessel. Its distinctive qualities are beauty and speed. With its elegant lines, large sunbathing areas and spacious interior, it is an exceptionally well-balanced yacht. The interior comfortably accommodates up to nine guests in four cabins. The master cabin is particularly spacious, with a king-size bed and a private en-suite bathroom. The VIP cabin, located forward, also features a king-size bed and an en-suite bathroom, ensuring a luxurious experience. The other two cabins, located on the starboard and port side, each offer two single beds, with one cabin including an additional pullman bed, providing both comfort and privacy for all guests. The interior is designed in a contemporary style with high-quality materials, creating a warm and sophisticated atmosphere throughout the yacht.
