Description

FERRETTI YACHTS 780 - From 2024 - Boat in Amazing Condition - Fully Equipped -
- Catalog pictures -

Ferretti Yachts 780

The 77ft Ferretti Yachts 780 is available in two versions, with a variation in the layout of the main deck. According to your preference, the main deck galley can be either open for a convivial open-plan feel, or it can be semi-enclosed. Either way, the 780 is a delightful and substantial flybridge cruiser for up to 8 plus crew.

Description provided by manufacturer

The harmony in the internal and external volumes creates the perfect ambience for all kinds of cruising. Comfort, poise and safety at sea are the hallmarks of a new-concept vessel with a pleasing aerodynamic design. A true style leader, this is a yacht for enjoying the sea to the full.

Evolution is the watchword behind the Ferretti Yachts design vision – and has been for over half a century. This constant quest is fuelled by the nautical expertise and inventive inspiration to make yachts that fulfil owners' every desire for comfort, style, seaworthiness and safety on the waves. The philosophy shines through in the flowing design of the sporty lines and the sophisticated, comfortable interiors, emblems of a truly timeless elegance. A major new advance at the stern offers the amenity of a real beach club, courtesy of the new door-opening system that transforms the area into a delightful area to relax in at the water's edge. A roll bar can be fitted for satellite installations, along with an optional modular hard top with a central awning or glass canopy. Like the rest of the Ferretti Yachts fleet, this new 78-footer is also available in a Tai He Ban version. It is a design philosophy that has won critical acclaim and aficionado affection around the world, including across the Asia Pacific.

SPECIFICATION

MAIN DECK

Access to the aft platform through a folding door (2); Access to the crew area through GRP double hatch and ladder in the starboard side; Access to the engine room through dedicated hatch Access to the flybridge through GRP; stainless steel and teak steps; stainless steel handrail; Access to the galley (side door) Aft platform with storage; hydraulic lifting platform (450kg) and foldaway bathing ladder; Aft storage bench with sofa; Aft tempered glass sliding door with stainless steel frame; Bilge water acoustic alarm; Boat hooks (2) Bow hawses; Bow pulpit with side rails; Bow thruster (20Hp); Bruce style anchors kg30 (2) with 2 chains (m75 and m100); diameter 12mm Cockpit chairs (4); Cockpit lights; Cockpit sink with fresh water.

Cockpit table in teak; stainless steel leg; Concealed chaise-longue at stern with electro-hydraulic movement; Covers for protection of front and side windows on the wheelhouse; Electric windlass 2300W (2) with controls on foredeck; bridge and flybridge Fairlead roller (side) (2); Fairleads roller; Fairleads roller (center); Fender cover with Ferretti Yachts logo; Fenders (8) and spherical fenders (2); Firefighting hose and chain wash down with sea water Foot-controlled electric windlasses (2 x 700W) in the stern mooring stations; Hatch accesses to forepeak (2) Left-side storage; Lights on sidewalks; Living area at bow with sofa with storage; Mooring lines m18 (4) Mooring lockers with cleat GRP cover; lines storage Perimetrical curtain rod for canopies.

Pull handles in the engine room (engine and generator shut down, activation of fire extinguishing system); Shore line cable 230V m15 Shower with hot/cold water at transom; Sintered teak aft steps; Stainless steel deck hardware; Stainless steel mooring cleat: at stern (4), at midship (2 for each side) and at bow (3); Sunlounge pad at bow with sunbathing cushions and storage; Teak deck floor; Telescopic stainless steel and teak gangway with electro-hydraulic movement, with remote control (2) Waterproof loudspeakers (2) TV FULL HD 43".
