

We believe that to stop seeking in life is to stop living.

Which is why we never let the sun set without knowing we've looked for more.

The most innovative design.

Exhilarating engineering.

Jaw-dropping performance.

Breathtaking attention to detail.

Motoryachts to make the heart race and the soul sing.

By daring to go where others don't, we'll take you to places others only dream of.

To do this, we constantly seek perfection.

And then, when we think we've found it?

We Seek More.

DEFINING AN ERA

Sunseeker is a name revered the world over.

Born from a passion for powerboat racing in 1969 and an obsession to be the best, the Hostess 17 was created.

A small open speedboat that changed everything.

Robert and John Braithwaite had created a boat that set a new standard.

And even though that was nearly half a century ago, its roots are ever-present in everything we do today.

It's about unrelenting passion, imagination and innovation.
About the courage to be daring, to be different and to always seek a better way. To always seek more.

That vision is now shared by over 2,400 employees and in every one of the 120 Sunseeker retail and service locations.

And they carry the Sunseeker name in everything they do today and tomorrow.

AHEAD OF OUR TIME

We haven't stayed in front by looking backwards. We're always looking ahead.

Always looking forward for new ways
to push the boundaries of technology
and ourselves. It begins at the core of
the build. The hull. Computational Fluid
Dynamics (CFD) has now become a key
part of our design process. Allowing
us to experiment with variations of hull
shape to ensure we get the performance
in the water we're renowned for.

It's the type of technology not uncommon in motorsport design.

We use it to allow our designers to assess sea-keeping, fuel economy, ride quality and try different drive systems and power options before construction even begins.

And this is just the beginning. This innovation continues throughout the build. In every step, from a 3D CAD design, to carbon-fibre technology, resin infusion and direct tooling methodologies. It's how we stay in front. It's what we're renowned for.

A HERITAGE OF DETAILS

There are some things that never change. No matter how far we come to the cutting edge, there is no machine or auto assembly that can compare to generations of true craftsmanship.

Those highly skilled masters of painstaking detail that nothing can replicate. It's why we use no substitute when it comes to our carpentry, cabinet-making, engineering, upholstery and more. We know our customers appreciate the finest of details. And we know these details can only come from true artisans.

A LIFE UNLIMITED

Every Sunseeker is unique from the crowd.

It's what makes them stand out.
It's what makes them recognised and revered the world over.

But when our customers want something even more distinctive, they can create a Sunseeker that reflects their tastes and lifestyle perfectly.

Because to them, it's more than a yacht – it's creating a deeply personal space.
A space that will enhance each day.

Working with our in-house team, our customers can create a yacht which is truly their own. From choosing upholstery and fittings, to optional floorplans and arrangements, it can all be made to measure for them and them alone.

Translating their ideas into their very own vision of perfection.

BEYOND BOUNDARIES

We've never believed in boundaries.

In the way we build our yachts. In the way we see the world.

We started breaking them when we built our very first boat.

And this spirit is instilled within every yacht we make today.

The desire to seek more.

Being the UK's largest boat manufacturer has not diluted this. In fact, it's deeper than ever.

You'll find it in over 120 Sunseeker retail and service locations, across five continents and 74 countries.

There's more to the 86 Yacht than just sublime style.

Defying industry norms with a 1,500 nautical mile range at 10 knots, the 86 Yacht combines the outstanding performance of a Sunseeker motoryacht with the extravagance and comfort of a yacht twice its size.

The cleverly configured interior allows guests to experience the stunning scenery from both fore and aft, and because every detail has been crafted to perfection, you'll feel at home however far you venture.

PRINCIPAL CHARACTERISTICS

Classification

CE (Cat B) / MCA < 24m

Length overall

26.30m. 86'3"

Beam 6.47m, 21'3"

Draft 1.95m. 6'5"

Displacement 67,000kg, 147,710lb

Fuel capacity

11,000 litres, 2,907 US gal.

Fresh water capacity

1,400 litres, 370 US gal.

Black water capacity 435 litres, 115 US gal.

Accommodation

Up to 8 guests & up to 4 crew members

Engine options Up to 3.900PS

Performance

Up to 30 knots

Range @ 10 knots Up to 1,500 nautical miles

Drives

Shafts

STANDARD SPECIFICATIONS

1 Construction

Hand-laid GRP Gel coat including stripes

Vinvlester skin coat with powderbound mat Stitched multi-axial reinforced single-skin bottom

Balsa-cored hull topsides

PVC foam-cored deck and superstructure Hull stiffened with longitudinal stringers supported by transverse bulkheads and floors

2 Flybridge Deck

Self-draining cockpit Acrylic deflecting spray screen

Seating areas

Storage lockers under seating Teak dining tables (natural finish)

Upholstered sunbathing area forward

Stainless steel aft safety rails Glass holders

Wetbar unit

Sink in wetbar unit with hot and cold water supply Icemaker in wetbar unit

Fridge in wetbar unit

Ceramic electric griddle in wetbar unit Fire extinguisher

Deckwash outlet Low-level flybridge lighting 24v

Radar arch structure Radar chair with navigation light assembly

Overhead lighting on underside of radar arch 24v Two pairs marine speakers Flagstaff and socket

3 Flybridge Helm

Two helm seats Hydraulic steering

Duplicate engine controls Engine instrumentation Autopilot repeater

Radar/chart plotter with GPS repeater Depth and speed multi display

VHF second station Remote spotlight control Magnetic compass

Steering indicator Trim tab control Horn control

Control head for flybridge CD/radio Waterproof plug and socket 12v

SEEK STYLE

For those seeking style both on and off the water, the Sunseeker Collection offers a compelling range of high-performance apparel and accessories available to purchase from a Sunseeker retailer or online at shop.sunseeker.com

MAKING A DIFFERENCE

Here at Sunseeker, we have as much commitment, care and attention when it comes to our yachts as we do when it comes to our environment and our broader society. That's why we have teamed up with Macmillan Cancer Support to assist families coping with cancer, and the Blue Marine Foundation who are striving to protect our oceans. With your invaluable support, we can and will make a difference.
