AZIMUT GRANDE 35 M

The Azimut 35 M Grande designed by Stefano Righini has all the features of even bigger superyachts with a hull innovation, displacement to planning hull patented by Azimut-Benetti.

The interiors designed by Salvagni are serene and calm, sophisticated in their simplicity but luxury at the same time.

The Side garage for a 5 meter tender plus a 3.25 meter jet-ski leaves the stern completely free for a magnificent 12 m² beach area.
