## OVERVIEW

This is a unique opportunity to purchase a high specification and recently delivered example of the revolutionary Azimut S7 open model. Built in 2019 by Azimut Yachts in GRP and carbon bre, she is powered by triple Volvo D13 IPS 1050 800hp diesel engines and capable of achieving speeds up to 36 knots. Used privately by one owner for a single season, she is still under a shipyard warranty, has been lightly used and is always operated by a professional crew.

'RIES' boasts a practical 4 cabin layout designed to accommodate a maximum of 8 guests, with separate crew accommodation for up to 2 crew members.

Key features include her dark blue hull, functional sports ybridge, Seakeeper stabilisation system, Volvo IPS Joystick controls, bowthruster, 19.5kW ONAN generator, 120,000 BTU air conditioning system, 130L/H watermaker and a sizeable garage for a Jet Ski & Tender.
