ELECTRONIC TOOLS FOR NAVIGATION

Autopilot, Chartplotter, Compass, Depth Sounder, GPS, Odometer, Steering angle, VHF Radio

BASE

Porto Cervo Marina

DESCRIPTION

The style of Atlantis Yachts can be clearly seen in the top of the line models, the 50 among them. Atlantis has done a lot with glass technology, reflected in how both the windscreen and the sunroof opening are made from panels of double curved glass. These combine to create a beautifully shaped crystal curve, like a glass bubble rising above the hull, which endows the 50 with its unique character and style. This is serious glass, over half an inch thick, and while it must add an enormous amount of weight and cost to the design, the resulting style is certainly worth the effort.

TECHNICAL DETAILS

Category: open/hard top (engine).
Shipyard / Model: Atlantis 50 HT.
Length: 15,00 meter.
Beam: 4,50 meter.
Turbodiesel engines: 2 x Volvo Penta 800 HP.
