

An aerial photograph of a harbor at sunset. The sun is low on the horizon, casting a warm, golden glow over the water and the surrounding mountains. Numerous sailboats are anchored in the harbor. In the foreground, a lighthouse stands on a small island, surrounded by lush green trees. The lighthouse is a tall, white tower with a red-tiled roof and a small lantern room at the top. The word "PREDATOR" is written in large, white, serif capital letters across the middle of the image, and the number "68" is written in a smaller, white, serif font to its right, separated by a thin white line.

PREDATOR / 68

The Sunseeker logo, featuring the word "Sunseeker" in a bold, sans-serif font, with a stylized sunburst or wave graphic above it.

Sunseeker

*We believe that to stop seeking
in life is to stop living.*

*Which is why we never let the sun set
without knowing we looked for more.*

The most innovative design.

Exhilarating engineering.

Jaw-dropping performance.

Breathtaking attention to detail.

*Awe-inspiring motoryachts to make
the heart race and the soul sing.*

*By daring to go where others don't,
we'll take you to places others only dream of.*

*To do this, we constantly
seek perfection.*

*And then, when we think
we've found it?*

We seek more.

LET THE SEARCH BEGIN

WE DARE TO DREAM. WE DREAM TO LIVE

We have always dared to seek more.

It is our past, our present, our future. It's in our DNA.

Back in 1969, Robert and John Braithwaite were two brothers with a dream to create a boat to surpass any made before.

And so the Braithwaites built the first Sunseeker. A small, open cockpit speedboat that defined a visionary new standard of performance.

It opened up a new world to explore, spurred by the elation that comes from achieving a higher level of performance. Almost five decades on, this impulse still drives our work.

From the light, spacious San Remo to the majestic 155 Yacht, the largest, most advanced yacht we've ever produced, each craft is more ambitious than its predecessor.

It's the reason we've grown from a dream to become one of the world's leading luxury motoryacht manufacturers.

And it's living proof that, if you seek more, you always go further.

DARING BY DESIGN

Nothing about a Sunseeker is ordinary.

Since the first Sunseeker was made, to every yacht we launch, each is borne of a singular boldness of vision.

Conceived by the world's finest naval architects, designers and engineers, a Sunseeker takes shape through exhaustive hand sketches, architectural drawings, technical renderings and the latest 3D design software.

Yet, though a Sunseeker yacht is made by many craftspeople, its soul is made with something greater still – a spirit of daring.

A ceaseless desire to seek gives every Sunseeker its powerful presence, performance and luxury.

A passion to exceed boundaries.

It's how it will always be.

Because it's only with this rare kind of spirit we can begin to craft your yacht.

A RARE CRAFT

In an age of mass digital production and automated assembly, we stay committed to a uniquely made, highly crafted product.

Every Sunseeker is hand built and hand finished – for one simple reason.

There is simply no other way to make a Sunseeker yacht.

It must be painstakingly brought to life by an in-house team of over 2,000 highly skilled craftspeople.

Inside and out, its meticulous detail, finish and artistry can only be achieved by handcrafting.

These are skills which are precious. Passed from generation to generation, they are the skills that make a Sunseeker.

Because no machine can ever give our boats such spirit, or take such pride in their creation.

It is this uncommon vitality that you own with a Sunseeker.

WE CRAFT IT. YOU CREATE IT.

You are truly unique.

And so it should be with your Sunseeker yacht.

*In addition to our vast range of standard finishes our *Bespoke* service is offered for yachts 95 feet and above, and gives you the freedom to create something exclusively yours. A blank sheet of paper for you to design your yacht in a way that is personal to you.*

In collaboration with some of the world's finest interior designers and style consultants, or indeed your own designer, you can select a range of fabrics, woods, leathers, granites and marbles to create a look and feel that's as distinct as you are.

Every interior aspect can be tailored to reflect your tastes and passions. From floor plans and accommodation arrangements to unique furnishings and sumptuous fabrics, you can fully indulge your desires.

*Indeed, our *Bespoke* service will give your Sunseeker something no-one else can.*

Your individuality.

AN EXPERIENCE WITHOUT EQUAL

To own a Sunseeker is to own a world.

*But not just any world – it is your world to escape to and explore.
Your way.*

*Own a Sunseeker and you live a life like no-one else. Because,
above all else, a Sunseeker gives you a rare kind of liberty.
That feeling of elation when your dreams become reality.*

*A masterpiece of high-performance design, engineering and pure
winning spirit, a Sunseeker yacht takes you to truly special places
– with those who are truly special to you.*

*Whether it's exploring the tranquility of a newly discovered coast,
or cruising the seas to explore new treasures, a Sunseeker gives
that very best thing: the chance to be yourself completely.*

Perhaps even to rediscover yourself.

What could be more precious?

DISCOVER A TRUE RARITY

*At the heart of each Sunseeker is a spirit
that transcends boundaries.*

*It was forged in the very first Sunseeker we made,
and endures in every yacht we will ever make.*

An urge to seek more.

And today it is a desire that's as strong as ever.

*It's the reason we are the UK's largest boat
manufacturer, and the only global brand to build luxury
performance motoryachts across such an extensive
range, from 50 to 155 feet.*

*Such is the worldwide demand for our yachts,
you will find them at over 80 Sunseeker retail and service
locations across five continents and 45 countries.*

*Which gives you every opportunity to discover
your own rare spirit.*
