delivery  
season 2022

## TECHNICAL DATA:

Length overall (f.t.)	8,76 mt
Length incl. platform	9,29 mt
Length hull	8,50 mt
Beam	2,99 mt
Engine:	2 x Mercruiser 4,5 MPI DTS Brav. III 2 x 253 Hp gasoline
Draught (drive lowered)	1,31 mt
Dry weight (approx)	4.000 kg
Fuel tank (approx.)	520 lt
Water tank (approx)	120 lt
People max CE	B6 / C8
Cabins - Bathrooms	1 – 1
Berths	4
Cabin height (approx)	1,85 mt

DESIGN: BMW Group Design Works USA

**Price: from 123.500,00 € + vat\***

## Power combined with max comfort

Already the design of the BAVARIA S29 reveals: this is a powerful yacht with sporting ambitions. Ideal for all lovers of speed at sea. The ergonomic cockpit with its well-structured layout is a great help, but this is only one of many key points. In short: With her sporty drive, fun is guaranteed. The intelligent layout both in the cockpit and below deck offers plenty of space for sunbathing or relaxing in the cabin.

## Exteriors

Externally the cockpit, in addition to a large aft sunbathing area and a wet bar, offers a seating area that can comfortably accommodate five people: everything is organized to provide pure fun and make any type of outing unforgettable.

## Interiors

The excellent interior heights (1.80 metres in the saloon) and the comfortable separate stern room are just some of the key points of the BAVARIA S29, which however does not neglect the attractive and modern design. A spacious saloon, a spacious double cabin and a practical bathroom make the S29 a true champion of versatility for long or short cruises.

## STANDARD ACCESSORIES - S 29

INTERIORS	EXTERIOR	SISTEM
